Announcement from the CMCA Board of Directors:

We would like to inform the community about some changes to the Board of the Cape Meares Community Association. Wendy Burroughs who has served as President for the past 18 months has resigned as President due to health considerations. All of us want to thank Wendy for her outstanding service to the community and in particular her incredible work to launch our Watershed Conservancy Project.

Last week the CMCA Board elected Bev Stein to carry out the remainder of Wendy's term as President until May 2023. The Board also elected three new Board members: Kathy Burke, Donna Letho and Simone Goldfeder. If you have any questions, please feel free to contact us at capemearesca@gmail.com.
