

Food Task card

You have been selected to procure food:

IMMEDIATE POST EVENT:

1. Assess the food needs of the survivors.
 - a. How many people have go bags with food for themselves?
 - b. How many require full food support?
2. Assist with tent set up.
3. Assist with wood stove set up. (stove + stove pad in shed).
Set up propane stove burner and tank. Place on a flat surface on the ground.
4. Ask for assistance to gather dry firewood for the stove.
5. Please set up small table for cooking utensils found in shed. Place at propane (outside) or wood stove (inside the tent) location.
6. Assess and coordinate location of handwash station to encourage all food handlers to wash hands before food preparation.
7. Hand out MRE's as needed and as available.

Begin using dry stored food found in shed when needed.
