

Shelter Task card

You have been selected to provide shelter:

Please gather helpers to find tent, canopy, table, chairs, light, stove and stove liner, in the shed.

Use tarps found in the shed to protect the tent floor.

Set up tent (11X 16 feet) with side rooms (8X8).

3/11/2025: hopefully tent hold-downs will be in the 9th & 3rd street sheds as funding becomes available
