Cape Meares Artist Collective Featured in Bay City Arts Center's July Artist of the Month Galleries

BAY CITY, Ore. — The Bay City Arts Center (BCAC) is pleased to announce the **Cape Meares Artist Collective** as the featured artists for its **July 2026 Artist of the Month Exhibition**, showcasing the diverse talents of local coastal artists working across a wide range of mediums.

The exhibition will open during BCAC's popular **First Friday Gallery Show** on **Friday, July 3, from 5:00–7:00 p.m.**, with a second public gallery reception on **Saturday, July 18, from 1:00–4:00 p.m.** Both events are free and open to the public.

The Cape Meares Artist Collective brings together artists inspired by the natural beauty, culture, and character of Oregon's North Coast. Visitors can explore an eclectic collection of work including **graphite sketches, oil paintings, photography, pottery, stitch art, kelp and driftwood basketry, and collaborative fiber arts.**

"This exhibition celebrates both individual artistic expression and the creative connections that emerge when artists work together in community," said Lauren Sorg, Executive Director of the Bay City Arts Center. "The Cape Meares Artist Collective represents the rich artistic spirit of our region, and we are excited to share their work with residents and visitors alike."

The exhibition highlights a variety of artistic perspectives and techniques, from detailed coastal wildlife illustrations and landscape photography to handcrafted ceramics, textile works, and sculptural pieces inspired by the ocean and surrounding forests. Together, the collection reflects the unique environment and creative energy of the Tillamook Coast.

The Artist of the Month program is part of BCAC's ongoing commitment to supporting local artists, expanding public access to the arts, and creating opportunities for community engagement through exhibitions, performances, and educational programming.
